*On Demand Education Ltd provides high quality technical Consulting services for Oracle Siebel CRM and CRM On Demand in pre- and post- sales.*

### PRE SALES ASSISTANCE

Companies who are considering CRM solutions such as CRM On Demand or Siebel Enterprise need clear, unbiased advice on the best practices, business impact and effort required to deploy a solution.

### POST SALES

Companies who are in the planning phase of their CRM project may require assistance in defining their strategy and high-level business plan for the implementation of CRM.

### PROTOTYPING YOUR SOLUTION

Customers may require fast, focused prototyping of design possibilities to enable them to understand CRM concepts, integration possibilities, best practice processes and user adoption challenges.

### CONFIGURATION AND TECHNICAL CONSULTING

Customers in the design or configuration phase of their CRM project may need resources to complement their own internal team. We are able to join existing customers and embed into existing groups as fast as possible.
